Bentham Community Primary School Development Plan 2022-2023

Summary

Priority 1		Embed the teaching of writing throughout all key stages to ensure consistency and high-quality teaching leads to significantly improved progress and attainment for all children.
Priority 2		Continue developing the teaching of reading, including Early Phonics, to ensure outcomes in reading improve further, particularly for low prior attainers.
Priority 3		Improve the outcomes for vulnerable groups (SEND and PP), including high prior attainers, through a focus on attendance and safeguarding alongside targeted provision of teaching and learning.
Priority 4		Establish secure subject leadership in all areas of the curriculum to ensure improvements in teaching, learning and assessment across the wider curriculum.
Priority 5		Develop governance ensuring members of the governing body take a full and effective role in supporting and challenging leaders to continue rapid improvement.
