Autumn Term Edition 5

Dear Parents

Over the last two weeks I have been spending time in every classroom, speaking to children, observing lessons and looking at children's learning in their books. It has been a real pleasure to see all of our children settled into their new classes and in some cases with their new teachers.

There is some great learning taking place throughout the school and I have been amazed at how well behaved, polite and mature children continue to be. We are planning on opening up our classrooms to parents in the future, giving parents an opportunity to spend some time in school and in their child's class – so keep an eye out for this information.

Communication with parents is an aspect of school life we are continually striving to improve. We have the Friday News, the website, parent coffee afternoons, parents' evenings, a texting service, all alongside additional various school events throughout the year. We also welcome parents into classrooms on a Monday morning and we are always happy for parents to speak to class teachers at the end of the school day or to make an appointment. **WE NEED YOUR HELP THOUGH.** We try, throughout the year, to offer children a wide range of opportunities and experiences that take them out of the classroom and into the local area and beyond. All of these trips require consent from parents, either via a tear-off slip at the bottom of a letter or through a full page Consent Form. Unfortunately, we are spending a lot of time chasing consents, sending text reminders, photocopying forms and letters multiple times and running around at the last minute phoning parents for verbal consents. We cannot continue to do this as it not only costs time and money, but it is also affecting children's learning when members of staff are out of classrooms trying to contact parents. We are all guilty of misplacing a letter or forgetting to sign something, so we will continue to send ONE reminder. However, in future, if we have not received consent then unfortunately your child will miss out on a trip opportunity.

Finally, a HUGE thank you to all those parents and children who stayed behind two weeks ago for our Big Dig. We made a huge amount of progress and the area outside continues to get better and better. Thank you also to Mr Ellershaw who brought his tools and put up a shed in our Early Years Outdoor area – it is very much appreciated.

Have a lovely weekend.

Mrs Pearson
