23rd March 2020

Dear Parents/Carers

Just to update you all with some information which will hopefully help you over the next few weeks.

Each class now has a class email:

class1@bentham.n-yorks.sch.uk

class2@bentham.n-yorks.sch.uk

class3@bentham.n-yorks.sch.uk

class4@bentham.n-yorks.sch.uk

class5@bentham.n-yorks.sch.uk

If you want to contact your child's class teacher or if your child wants to contact them, please use the email addresses above. Please be aware that teacher's will not respond straight away but will do when they are working.

We have shared some example daily timetables with parents on Facebook. These are also available on our school website. Click on the 'Classes' tab along the top and then scroll down.

A sheet with online learning links has also been added to the same place. There are web links on here that children can access from home.

On the shelf in the pram store, there are some old Read Write Inc. books. These are useful for reading, writing and spelling. We no longer use these in school so you are able to help yourself to one for your child. We do not want them returning.

I have also added some exercise books to the pram store as I realise some lined and squared paper may be useful. Please take a small amount each and leave some for others. There are also some pencils, pencil crayons and large sheets of paper if you would find these useful. Again, please leave plenty for others.

Teachers will continue to support you with supporting your child at home.

Many thanks

Mrs C Pearson
Headteacher
