Dear Parent(s)/Guardian

Loan of Musical Instrument

Your son/daughter is taking part in whole class instrumental lessons provided by the North Yorkshire Music Service. In these lessons they are being given the opportunity to learn an instrument as well as take part in activities aimed at stimulating creativity.

We would like to provide an opportunity for pupils to take instruments home to practice, to gain as much out of the sessions as possible.

Please fill in and return the reply slip below to the school, if you wish your son/daughter to bring an instrument home. Please note that whilst at home, the instrument remains in your care and that you would be liable for any replacement costs should damage, loss or theft occur.

Please do not hesitate to contact me if you have any queries.

Yours sincerely,

Sarah Evans
Skipton Music Centre Manager
