

# Macy's Homeless Appeal!

My name is Macy and i am nearly 10. Seeing homeless people makes me feel really sad and upset, especially when it is cold and wet so I want to do something to help but I can't do it alone!

I would like to make some parcels of the things that are useful and hand them out to the homeless of Lancaster.

I have spoke with some volunteers who already do this and they have told me what things to put in them. If you could donate anything off my list I would be so happy, we can collect any items off you if that helps, please contact my mum on 07557415093 if you would like to donate or have any questions.

Things to donate:

- Handwarmers
- New gloves, hats, socks + scarves
- Wet wipes
- toothbrush + toothpaste
- Water, Juice cartons + pop
- crisps, biscuits, chocolate bars + cakes etc

Please make sure good items are sealed and in date.

Even one item off the list would be helpful.

Thank you
