Dear Parents

As we have previously shared with you, Bentham Community Primary School now has an official Facebook page. Alongside our website, we will be using this page to celebrate the achievements and successes of our school. So far we have not included any images of children's faces as we have not sought your permission to do this. However, we would like to include children in our photos on Facebook, as this enables us to share more widely news about our school. This would include celebrations of children's work, visitors, performances and everyday life in the classroom. Whilst, I appreciate some parents may have concerns about images of their child appearing on Facebook, this is a wonderful way to share news, achievements and successes with our school community and a wider group of followers.

Please complete the slip below and leave on the table by the main entrance today.

If you have any queries regarding the completion of this form, please do come and speak to me.

Many thanks for your support with this.

Yours sincerely,

Mrs C Pearson
