Autumn Term : Edition 5

Dear Parents/Carers

Firstly, thank you to all those parents who came along to school on the evening of Wednesday 9th October and took part in the parent 'workshops'. It was lovely to see so many parents/carers actively engaged in sessions aimed at how to help support children with learning both at school and at home. We recognise that being a parent can be hard at times but also that you all want to help your child/children as much as possible. We hope you found the sessions interesting and supportive. If you were unable to attend these sessions, please feel free to contact your child's class teacher and discuss how you can encourage and support your child's learning.

On Friday 18th October, from 9.00am until 10.30am I would like to invite parents/carers of all children into school to join me at a 'Parent Coffee Morning'. Whilst this is an informal event, there will be opportunities for parents to raise any questions they may have. It is also an ideal opportunity to meet other parents of children at the school. I will be sharing with you how we are developing our curriculum in school and also showing you our new library borrowing system. Please do come and join me if you can.

As I write this week's Friday News, our Year 5/6 Boys Football Team have just returned to school from an afternoon of football at Settle College. They are very happy as they came joint 2nd and returned to school undefeated! They won or drew all their matches. Well done to Dan Ellershaw who was Jordan's player of the tournament. Thank you to Mrs Askew and Jordan Armstrong for taking the children to Settle and coaching them through the games. The team were excellent ambassadors for our school and should be very proud of themselves. We look forward to more sporting successes throughout the year!

ATTENDANCE MATTERS As a school we continually strive to achieve a 'whole' school attendance of 97% or above – but we need your help. We cannot emphasise enough the importance of good attendance at school. It has been proven that children who attend school both regularly and on time

tend to achieve higher levels of attainment and maximise their chances at any future success. There is a significant amount of evidence supporting the importance of the link between attendance and attainment. Whole school attendance also has an impact on Ofsted outcomes – with schools showing poor attendance being heavily scrutinised and judgements affected. With this in mind, can we please ask parents/carers to take attendance, and the impact of the same, into consideration when planning for family holidays etc. and to try to avoid requesting time off during term-time?

As 'food for thought' attendance at the school for the week 30th September to 4th October was **97.28%** with Class 5 having the highest level of attendance for the week. Thank you for your support with attendance.

Autumn Craft Evening This week an invitation has gone out to children in years 2 to 6 inclusive to take part in our brand-new Autumn Craft Evening event. Places are limited, and must be pre-booked. The cost of this activity is £4.00 per child, to cover the cost of materials. For more information, please see the letter sent home in children's book bags.

Parent Evenings Information about Parent Evening interviews with class teachers has been sent home in children's book bags. If you have not already done so, and you would like an appointment with your child's class teacher, then please ensure that reply slips requesting an appointment have been returned to the School Office by no later than **MONDAY 14TH October 2019**. Confirmation of appointment times will be sent home with children on Friday 18th October. Thank you.
